Completing a Professional Allowances report for the Current Period:

1. Type all information into fields and send report via email. This will ensure that both the Ministry and the pharmacy have a secure record of the report.
2. Ensure the pharmacy ON number is clearly identified.
3. Ensure all fields are completed and legible. Reports with missing information or illegible information will be returned for resubmission.
4. Non-applicable fields should be denoted with 'N/A'. Do not leave any fields blank.
5. If no professional allowances were received or spent, a zero must be placed in the appropriate field.

Blank/empty fields requiring monetary values will not be assumed to be zero dollar amounts.

6. Ensure the signature (name) and title is clearly provided. The report must be signed (full name is acceptable - see representation section of report) by one who has senior level authority (e.g. manager, owner, treasurer, etc.)

7. Please refer to BBS No. 8021 (Revised) posted on March 6, 2008 for information on calculating costs, and BBS No. 8061 posted July 18, 2008 for frequently asked questions and answers.
